

31ST INTERNATIONAL CONGRESS OF PSYCHOLOGY

Yokohama, Japan 24-29 July, 2016

Life Design dimensions and interventions for a challenging future

Chair: Prof. **Jerome Rossier**, University of Lausanne, Switzerland & Prof. **Laura Nota**, University of Padova, Italy

The presentations will refer to the Life Design approach. Some dimensions and career interventions examples that can help young people and adults to manage this challenging time will be presented and discussed. Particular attention will be given to vulnerable people.

Presentations by:

- Prof. **Maria Eduarda Duarte**, University of Lisbon, Portugal, *"Rebuilding" the difficult future giving meaning to Life design Counseling approach*
